MEMORANDUM FOR THE RECORD

FROM:

[Redacted]

Legislation Division, OLL

SUBJECT: Compact of Free Association for Micronesia
and the Marshall Islands

On 4 January 1984, I received a telephone call from Lt. Howard Hill [Redacted] the Military Assistant and Legal Advisor for the Office of Micronesia Status Negotiations. He called to see if he could answer any questions we might have concerning the Compact. I told Mr. Hill that we had just received the Compact on 3 January 1984 and were in the process of reviewing it. I did ask Mr. Hill how the question of citizenship was handled in the Compact. Mr. Hill stated that the people of these islands would not have dual citizenship but would have the citizenship of their respective Free Association State (FAS).
